

REFINE STORAGE

REFINE STORAGE:

Refine may be described in just a few words:
aesthetic, plain, sustainable, Danish.

It is a modular series of cabinets crafted in sustainable FSC™

certified materials. The design is plain and aesthetic in a calm, Scandinavian colour scale and sensuous materials.

Design your own favorite by mixing colours and different types of materials and obtain a unique and exclusive image in the office, the meeting room or the reception.

- White melamine surface on cabinet
- Choose between 4 colours for drawers and 5 door colours
- Available in 2 and 3 compartment heights
- Choose between fixed plinth or a set of wheels
- FSC™ certified materials
